

dear Prof Booth,

Your  
note received. The  
fact is I went off  
"half cooked" as the  
old hunters would  
say. Let it pass  
into oblivion, and  
further let nothing  
~~present~~ ~~wherever~~ with  
a complete settlement  
of accounts, the placing  
of everything in A.O.  
order for another big  
year's work, and give  
you men reasonable  
rest & also take some  
Yours truly, WBL
